ORO DI NAPOLI

"ORO DI NAPOLI" GOLD OF NAPLES A TREASURE TO "CARE"

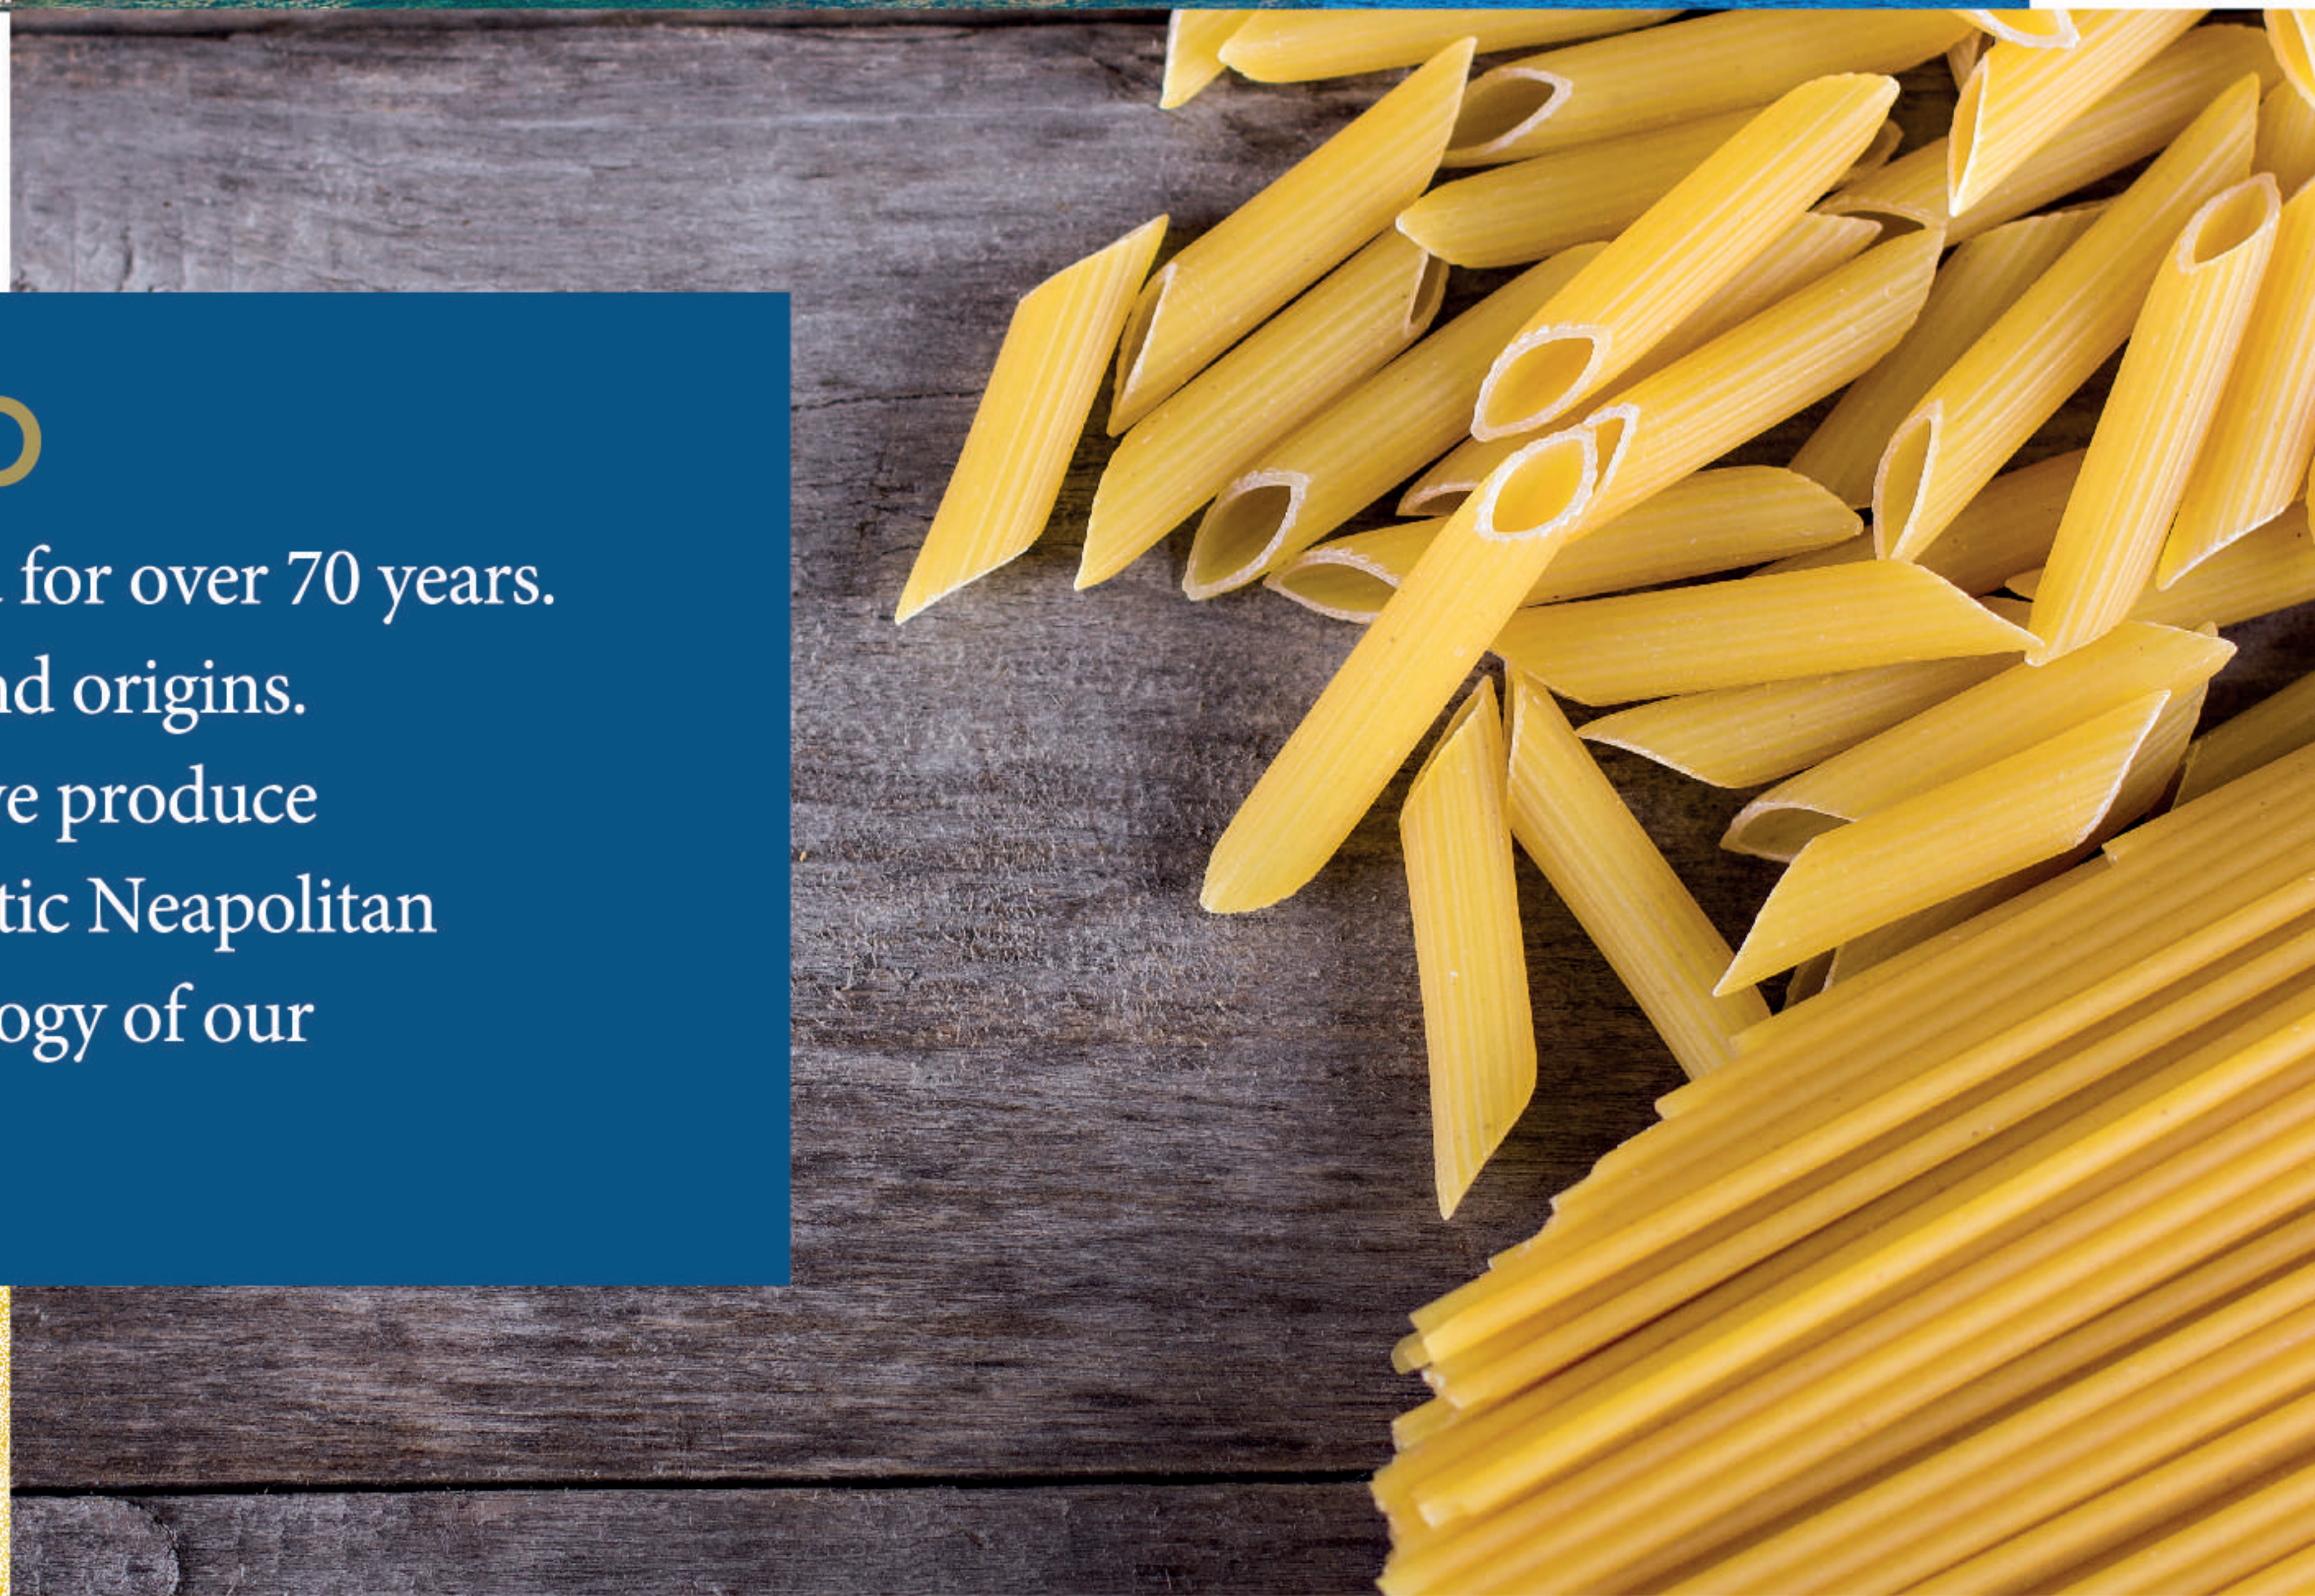

From the **heart** of the **Neapolitan tradition:**

CAMPANIA, Naples region, is a special place where it's possible to breath the sea. Together with the sun pasta is the most precious jewel. Pezzullo, the “gold of Naples”.

PASTA PEZZULLO

We have been producing pasta for over 70 years. We are proud of our history and origins. Just as in the past even today we produce our pasta following the authentic Neapolitan tradition but using the technology of our innovative plant in Eboli.

Pezzullo, simply the excellence

PEZZULLO'S VALUES

-  **Selected semolina:** 14% Protein Content (high gluten index) for an exceptional cooking performance, keeping “al dente” structure in overcooking and double cooking
-  **Bronze die pasta** for a rougher texture that holds better any kind of sauce
-  Classic and special shapes from the **authentic Neapolitan tradition**

A 100% RECYCLABLE BAG? WE HAVE IT!

Pezzullo new pack is fully paper recyclable. The pack represents a nice gesture for what we love most: our territory and our products.
