# CORTICELLA

## Since 1948

Corticella has been selecting the finest varieties of durum wheat, obtaining special semolina and transforming it into pasta that encapsulates the rich flavor of the best tradition. Excellent quality, production capacity, and a wide assortment are the characteristics of this historic brand.

The production process of our pasta is the result of tradition, experience and innovation. Only selected durum wheat semolina is used, with an ideal gluten content for consistently al dente cooking.
